

Dear Friends of The Hambrough

What a rollercoaster we have been on this year!

As much as we are saying farewell to you, please know it is not goodbye. Despite the extremely challenging circumstances we have all been in this year, we are having to close our doors again until early December when we hope to be re-opening and we will be using this time to tweak a few things that the busy Summer season has taken its toll on since opening in July.

We would like to take this opportunity to thank everyone who visited The Hambrough this summer - it was truly overwhelming. Each week we were thrown a new challenge that both the team and our guests adapted to every change with tremendous understanding...this Staycation summer will definitely be one to remember.

What does 2021 look like? Well that's anyone's guess right now.... But if you had planned to get away this side of Christmas or perhaps contemplating a little break in the New Year might I suggest you would be wise to book something in! Many of those who had booked to stay in November have kindly opted to move to December, January and the New Year. Look out for our great value ferry-inclusive Dine & Stay Offer which is the perfect escape for a relaxing get-away-from-it-all break from the mainland. Book now!

If you are looking to start the Christmas shopping early we have beautifully designed Gift Vouchers that you can purchase, whether it be for an Indulgent Afternoon Tea / a Lunch / an Evening Meal or even a Dine & Stay all of which anyone would be overwhelmed to receive - the perfect Christmas present. Call 01983 856333 or email us [info@thehambrough.com](mailto:info@thehambrough.com)

We have limited availability for a Staycation over Christmas. The Hambrough Restaurant is offering Christmas Day Lunch, if interested in any of these be quick as spaces are limited.

We look forward to welcoming you back in December! For those of you who are lucky enough to live on the Island, you might want to try our Hambrough at Home takeaway service we are offering - please see details on our website [www.thehambrough.com](http://www.thehambrough.com).

Thank you for your continued support, please stay safe and take care,

The Hambrough Team
